

## Honda unleashes game changing models **CLICK125i, CLICK150i**

**Manila, September 22, 2018** -- Honda Philippines Inc. (HPI), the number one motorcycle manufacturer and distributor in the Philippines, today introduces the All-New CLICK125i and CLICK150i at the press conference at SM Mall of Asia in Pasay City. Giving its first up close look to the media and public, this new premium and modern sports Automatic motorcycle is now ready to be the Game Changer for Filipino riders.

The unveiling of the All-New CLICK is attuned to Honda Philippines' ONE DREAM campaign, which aims to reach out to more Filipinos through their interests, with the message that Honda is part of their journey towards their dreams.

"The launch of the new AT models marks our commitment to accompany Filipinos as they strive to achieve their dreams. Honda will continue to make innovations that will bring a new level of riding experience to our customers," said Mr. Jomel Jerezo, General Manager and Department Manager for Motorcycle Business Planning Department.

### **All-New CLICK 125i**

The All-New CLICK125i is powered by a 125cc Liquid-cooled, PGM-FI engine with Enhanced Smart Power and an ACG starter, making the model fuel efficient at 53 km/L. The model comes with the Combi Brake System and Park Brake Lock for added safety features.

Topping it off is the advanced full digital meter panel which provides real-time fuel consumption, battery and change oil indicator, trip meter, and digital clock.

The new design makes a bold statement with its modern bold decals and **All LED Lighting System** (Dual Keen Headlight with position light, Tail Light, Front and Rear Winker). It also has a sporty muffler design with aluminium end cap.

It comes with an 18-Liter Ubox, making it a perfect storage place for a full-faced helmet or other riding necessities, equipping riders for any trip on the road.

The All-New CLICK125i comes in four modern color variants, namely the Anchor Gray Metallic, Vivid Blue Metallic, Nitric Orange, and Space Magenta Metallic. Price starts at Php 74,900.

### **All-New CLICK 150i**

The All-New CLICK 150i is powered by a 150cc, Liquid-cooled, PGM-FI engine with Enhanced Smart Power and an ACG Starter and Idling Stop System, which gives the bike a fuel economy of 52km/L.

The CLICK 150i also equipped with a full digital meter panel and an all LED Lighting. Meanwhile, it is exclusively comes with a 3D emblem proudly signifying its name.

For more convenience and added security, the model also brims with advanced features namely the **Smart Key System** with keyless lock and unlock, ignition on/off, Anti-Theft Alarm, and an Answer Back System. It also comes with new sporty wheel design with wider tubeless tires, wavy disc brake and a sporty aluminium pillion steps.

The All-New CLICK 150i is now available in four premium colors which are Matte Gunpowder Black Metallic, Matte Solar Red Metallic, Matte Crypton Silver Metallic, and Pearl Fadeless White, with an introductory price of Php95,900.
